

DMU unveiled

SPAIN: Development Minister José Blanco (centre) visited El Berrón on August 18 to open FEVE's new Asturias control centre and unveil the metre-gauge operator's first Class 2700 DMU.

CAF and Sunsundegui were awarded a contract to supply 12 units for €44m (RG 10.08 p773), followed by a €79.6m option for an additional 23 DMUs in April this year. ❏
