

MEXICO City Metro (STC) has awarded CAF, Spain, a contract to supply 30 seven-car trains for Line 12. Under the 15-year service provision contract, CAF will lease the trains to STC and carry out all maintenance. The \$US 1.74 billion, 24.5km line from Mixcoac to Tlahuac is being built by Alstom and Mexican partners ICA and Cicsa. The eastern and western phases will open in May 2011 and May 2012 respectively.
